New Business

- TJ presented that it would be nice as a group to create a statue of how/when HEMS should be activated in the State of Kansas.

- Greg suggested that we try and setup another meeting at AMTC next for the Medical Directors from each program to attend.
- Group discussed how we need to increase Kansas AAMS public relations across the state. So people can learn about the committee, what we do and who we serve.
- Greg suggested we create a statute between the Kansas AAMS programs that no program would accept a Part 91 flight unless it was for a maintenance flight.
- Tim discussed with the group about the proposed legislation to amend the Airline Deregulation Act. He stressed that anyone was invited to attend the 2nd AAMS Board at 15:00 on Oct. 22nd in the Minneapolis Convention Ctr. to discuss the ADA.

Next Sub Committee Meeting will be held in Emporia on November 13th, 2008 at 10:00A.M.

Next General Meeting will be held on December 3, 2008 at 19:00, Pozez Education Center, Topeka, KS.

Meeting was adjourned at 15:57 hours.
